RE: Putnam County Commuter Parking Lots

Dear Ms. Straub:

DEC staff have reviewed materials pertaining to the above project. The New York Natural Heritage Program database indicates that there are no threatened or endangered wildlife species in close proximity to the proposed project sites. Based on this information and the project scope, we have determined that this action should not significantly impact any threatened or endangered wildlife species. If you have any questions or require additional information, please contact me using the contact information listed above.

Sincerely,

  
Steve Joule  
Wildlife Biologist  
Region 3
